ALLIANCE MACHINERY
Alliance Machinery was formed in April 2012 following the acquisition of Eterna Machinery by The Bobst Group to offer sales and service of Eterna die-cutting and folder gluing equipment in Sub Saharan Africa. It was soon evident that there was a strong demand for high quality yet affordable solutions on the continent which led to Alliance Machinery partnering with other leading manufacturers of print finishing and packaging converting equipment and today along with their carefully selected OEM partners are widely regarded as the go-to company for complete turnkey solutions for the corrugated and carton

converting industries
